Learning About God

In today's readings, we heard about the opportunity to learn more about God. Fr. Mario spoke of a deep concern of his, as a priest. In his experience, some people are interested in growing closer to God by learning more about Him, while others aren't. It's those others that worry him.

In our first reading, St. Paul was speaking to the people of Athens. He was teaching them about

Jesus. Some people just laughed at him right away. Others said that what he had to say was interesting, but they didn't want to hear about it right then—maybe later. But, a few followed him, wanting to learn more about God through His Son, Jesus Christ.

In the same way, in our Gospel reading, Jesus told His apostles, "I have much more to tell you, but you cannot bear it

now. But when He comes, the Spirit of truth, He will guide you to all truth." He knew that we weren't ready to hear all that He had to teach us. But, He knew that we'd be ready eventually. And when we're ready, the Holy Spirit stands ready to guide us to the ultimate truth—God Himself. So, let's all try to learn more about God, deepening our faith, growing closer to Him, who is Truth and Love.

Thank You, Volunteers!

We would like to thank all of the wonderful people who give so much time and give so much of themselves to the Cathedral School—our volunteers! These kind people tutor our students, keep them safe on

the playground, help in the office, and a dazzling variety of other invaluable services.

To show our appreciation, we would like to invite all volunteers to a Dinner of Appreciation on Tuesday, May 13 at 5:30 p.m. God bless!

Cookbook Fundraiser

Our cookbook fundraiser continues to do well,

thanks to you! So far, we've sold 560 books! Our goal is to sell all 792 cookbooks. All proceeds go directly to support the school!

You can purchase them for just \$10 apiece through the school office. Or, if you would like to help sell them, that would be greatly appreciated! To show our appreciation, for every book you sell, your child's name gets en-

tered into an incentive drawing. If you have questions, or want more information, you can contact Kathy Parr, Melinda Larson, or the school office. Thank you for your support!

Spring Program

Come and join us at our annual Spring Program on Monday, May 19 at 7:00 p.m. All of our students will be singing or participating in some way. You are also invited to a reception in the gym, following the program. See you there!

PACE Meeting

We will have our final PACE meeting of the school year on Tuesday, May 6 at 5:30 p.m. Child care will not be available at this meeting. Come and join in the discussion wrapping up this school year, and looking ahead to next year!

Survey

Included in this week's Thursday envelope, you should find a survey about a possible school expansion. Brian LaPlante, one of our school parents, is spearheading an effort to ask the question: can we expand our school to include grades 7-12? This idea is explained more fully in the attached letter.

School Board Corner

The Cathedral School Board's next meeting will be on Wednesday, May 14th at 6:30 p.m. Everyone is welcome to attend.

Announcement! We are now accepting nominations for three school board positions that will be opening up this spring. If you're interested, please contact a school board member, or the school office!

Please indicate your interest in this idea by filling out the short survey and returning it to the school office. Thank you for your help!

Pictures Needed

We are beginning to create our new yearbook for the 2007-2008 school year. Many thanks to Sandy Lindtwed, Kay Oien, and Becky Roesch for all your help to make this possible!

If you have any pictures that you'd like to share for the yearbook, please email them to sdu-fault.cathedral@midconetwork.com. Or, you could bring them in to the school office. Please include your name on the back, so that we can return the photo to you. Thanks for your help!

God's Blessings on Your Birthday

There are no students with a birthday this week. May God bless you all!

Fundraising Opportunities

Each week, we will highlight a different on-going fundraiser. This week, we will take a closer look at Target.

If you have a Target Card or Target Visa, every time you shop at that store and use that card, a percentage of what you spend can go to the Cathedral School—at no extra charge to you!

Here's how it works. You can go online to www.target.com/tcoe. Or, you can stop by a store and go to the Customer Service counter. In either case, you can request, through the Take Charge of Education program, that 1% of every purchase you make with your Target Card or Target Visa goes to Cathedral School. Our school ID number is 9191. Every year, we receive several hundred dollars. So, if you already have a Target card, this is an easy way for you to help the school, at no additional cost to you! Again, we thank you for your continued support. God bless!

Here are some other fundraisers that help Cathedral School:

- Campbell's Soup Labels
- Box Tops for Education
- Ink Doctor—\$205.00, so far this year
- Our Family Labels—\$1400, so far this year!
- Target Card—\$491.89, so far this year
