What to Do?

In Mass this week, Fr. Bob stepped us through our houses. We eat our breakfast in the garage, park the car in the living room, and sleep in the kitchen. What?

Each room in our houses have a specific purpose. Some behaviors are acceptable (like eating breakfast in your kitchen) in a certain room, while

others aren't (like parking your car in the living room).

St. Paul, in today's reading, taught us about appropriate behavior in God's house—church. He was talking about the many ways that we can show (or not show) our love for God and for others.

Fr. Bob also taught us that this passage doesn't just refer to times when we're in church. It also includes all those times when we're in the company of our brothers and sisters in Christ—other Christians. So, let's remember to show our love for others and for God, remembering where we are, and who we're with!

Mass Schedule

September 26—planned by 4th Grade

October 3—planned by 3rd Grade

We would like to invite you to celebrate the Mass with your child and his or her class on Wednesdays at 8:45 a.m. Grandparents, other relatives, and friends are also welcome. Hope to see you there!

Library Schedule

September 27—Grades K, 1, and 2

October 4—Grades 3 & 4

We are excited to begin going to the public library again this fall! If your child doesn't have a library card yet, we can take care of it during that first library visit.

Schedule Change

Please note that school will be starting two (2)

hours late on this coming Monday, September 24. Teachers will be meeting in workshops during those two hours. Buses will also be running two hours later than normal. If you drive your children in to school, rather than having them ride the bus, please drop them off two hours later than normal, as we will not be able to provide supervision for them until 10:00 a.m. Thank you!

Picture Day

The Cathedral School Picture Day has been scheduled for the morning of Tuesday, October 2nd. Once again, we will be using Behl's Photography. Watch for information to come home in the coming weeks!

Calendar Money

Please make sure that you turn in any money that you've collected for our calendar fundraiser

by Monday, September 24. That will give us time to get all of the names entered into the Big Bash drawing that will be held on Thursday, September 27. This is one of the three largest fundraisers in our school, so please make sure to get everything turned in as soon as you can. If you have any questions, please contact the school office. Thank you!

Help Needed!

PACE is serving the Marriage Vocation Dinner on Sunday, October 7. We could use a few more parents to help with serving that day. Children are welcome to come with you to help. If you are available to help Sunday, October 7 from 1:45-5:30 p.m., please call Laurie Erickson at 281-1835 (w) or 281-7520 (h). Thank you!

Cub Scouts

Kathy Colley visited us on Monday and talked to boys in grades 1—6 about Cub Scouts and Boy Scouts. The Scouting year will be starting soon, and they'd like to invite any boy in grades 1—6 to join, even if they've never been a part of Scouting before. For more

information, call Kathy at 281-3351.

School Bus Safety

All of our students were able to participate in learning about school bus safety this week. Dave Tyler, who is one of our bus drivers, visited our school on Tuesday and Wednesday and told everyone about how to stay safe in and around school buses. We all had fun, and learned a lot, too!

Fundraising Opportunities

Each week, we will highlight a different on-going fundraiser. This week, we will take a closer look at the Ink Doctor.

Here at the Cathedral School, we recycle ink cartridges. Not only is this good for the environment, it helps support the school financially!

Last year, we began using a new vendor, called the Ink Doctor, to handle our ink cartridge recycling. This is a relatively local business, based out of Grand Forks, ND.

The process is easy! All you need to do is to drop off your old, used ink cartridge at the school. Once a month, the Ink Doctor stops by our school and picks them up. Shortly after that, we receive a check in the mail for them! The Ink Doctor refills and reuses the old cartridges and is able to resell them at a lowered cost to consumers, as refurbished ink cartridges.

In addition to the old cartridges from ink jet printers, the Ink Doctor also takes many types of toner cartridges from laser printers and copiers. So, if you have any old cartridges laying around, you can bring them in to the school. You'll clean up your home or business, help the environment and support the school, all at the same time!

We thank you for your support. God bless!

Here are some other fundraisers that help Cathedral School:

- Campbell's Soup Labels
- Box Tops for Education
- Ink Doctor—ink cartridges
- Our Family Labels
- Target Card
- Pop Tops
