The Greatest Promise

Out of the more than 7000 promises listed throughout the Bible, which one is the greatest? This is the question that Fr. Antony posed to us this week at our school Mass. Many students had great ideas, listing off many of the 7000 promises that Father had referenced.

Fr. Antony's answer, though, came from this week's Gospel reading. Jesus explained that He was sending another, the

Spirit of Truth, "who will guide us to all truth." This is God's greatest promise to us, that He will send His own Spirit to be with us and to guide us always.

Jesus told His disciples that there was more that He wanted to teach them, but that they couldn't bear it at that time. Instead, the Holy Spirit would reveal more things to them over time, as they could handle it.

And the Holy Spirit continues to do that work even today, both to individuals and whole groups of people.

It is such a blessing to have God Himself so close to us, living in us and us in Him. He continues to speak to us about our past, our present, and even our future. All we need to do is listen. Thanks be to God!

Fundraising Opportunities

Each week, we will highlight a different on-going fundraiser. This week, we will take a closer look at Tyson's Project A+!

This is a fundraising program that's sponsored through Tyson Foods, Inc. It's called Tyson Project A+. Through this program, we can raise as much as \$12,000 for our school each year! The money we raise can go towards buying books or computers, or anything else that we want!

All we have to do to participate is clip and save the entire Project A+ label from participating Tyson products. Then, you can drop

these labels off in the school office. Each label we collect is worth 24¢ for our school! Elva Bissonette has graciously agreed to manage this fundraiser. Thank you!

Let's support our school! Clip and save Tyson Project A+ labels today. If you would like more information about the Tyson Project A+ program, visit <http://ProjectAPlus.tyson.com> or contact the school office.
