Don't Worry...

This week, Fr. Mario talked to us about being worried. As he explained it, most of us worry about many different things. When we're young, we worry about tests or homework.

When we get older, we worry about what we're going to be or what we'll do when we "grow up." If God calls us to the vocation of parenthood, we will worry about our children. We may worry about our parents, as

they advance in years. Later in life, we may begin to worry about death.

However, Jesus tells us of another way. He explains that we don't have to be worried. Instead, we have the opportunity, with His grace and help, to hand over our worries. We can lay our troubles and concerns at the feet of Jesus, and let Him

carry them. In exchange, He gives us grace, peace, and happiness. In fact, trust in the Lord is the essential element to lasting happiness and fulfillment.

This is very difficult to do, but the rewards are great! What a wonderful gift, to have such a loving God, who wants to carry our burdens for us. Thanks be to God!

Mass Schedule

May 27—planned by 2nd Grade

June 2—planned by 5th Grade

The Mass on Tuesday, June 2, at 8:45 a.m. is a special Mass, as it also incorporates a Graduation ceremony for our 6th Graders. Feel free to join us afterwards for additional graduation recognition activities in the Dining Room. Con-

gratulations to all of our 6th Graders on your accomplishments!

No School

We will not have any school on Monday, May 25, in recognition of Memorial Day. Have a safe and blessed weekend, as we recognize all of the men and women of our armed forces who have died, especially in service to our nation.

Track and Field Day

On Friday of last week, we held our annual Track and Field Day. The weather cooperated well for most of the day, allowing us to complete almost all of our events. It was great to see so many parents and other family and friends there! Thank you for coming and helping us make it such a fun and enjoyable day!

Spring Program

On Tuesday of this week, we put on our annual Spring Program. It was wonderful to see so many people in the audience. The students were excited to show you the "fruits of their labor," over these past several weeks. Congratulations to Mrs. Carlson, Mrs. Lubarski, and all of the students for their hard work and excellent performance!

Spring Reading Incentive

Yesterday, we enjoyed a Picnic in the Park, for our spring reading incentive. It was a beautiful day, and everyone had a great time, enjoying a picnic lunch, some free time at the park, and many fun activities organized by Mrs. Schoeneberger and Mrs. Peterson. Congratulations to all of the students who had worked so hard to achieve their spring reading goals!

School Advisory Council Election Results

We are pleased to announce the results of the School Advisory Council Elections from this past weekend! Thank you for your participation in this election process!

Five people offered to run for the three positions opening this spring. The new members will be Bryan Boll, Brian Dingmann, and Mike Swenson. Congratulations! We would also like to express our gratitude to all those who agreed to serve as a candidate in these elections. Your involvement with and dedication to our school are very much appreciated. Thank you!

Lunch Accounts

In your Thursday envelope this week, you should see a current

School Advisory Council Update

The next meeting of the Council will be on Wednesday, June 24 at 6:00 p.m., at the Irishman's Shanty. At this meeting, in addition to completing some necessary business, we will also recognize the outgoing Council members. In addition, we will also be welcoming our incoming members in their first unofficial meeting. Everyone is welcome to attend!

Fundraising Opportunities

Each week, we will highlight a different on-going fundraiser.

This week, we will take a closer look at the pop tabs.

Collecting pop tabs has seen some changes in recent years. Currently, we are collecting pop tabs. However, rather than being a fundraiser for the school, it actually supports the Ronald McDonald House pro-

grams. Our 5th Grade class collects the pop tabs from each classroom. Then, they weigh them, and chart each class' totals. All of the pop tabs are then donated to the Ronald McDonald House, which supports children (and their families) who are undergoing medical treatments. One of the biggest supports they provide is giving families a place to stay (other than hotels, which can get costly) when they have to travel long distances to get treatments. It is an important and worthy cause, so please consider donating your pop tabs. We thank you for your support. God bless!

Here are some other fundraisers that help Cathedral School:
