The Spirit of Truth

It's easy to follow Jesus, Fr. Bob explained to us this week. Jesus' way is the way of light and joy, peace and true happiness. However, the world is good at making it difficult for us to follow Him. As this week's Gospel pointed out, the world hates us, Jesus' disciples, because we do not belong to the world, but to God.

God's word is truth. In fact, in the beginning of St. John's Gospel, Jesus is identified as God's truth, made

flesh. So, to be of God, rather than of the world, we need to live in the truth.

That doesn't just mean knowing the "right answers." It also means something as simple and straightforward as telling the truth. Being truthful is simple to understand, but very difficult to do. The world makes it very easy for us to lie, even coming up with comforting phrases such as "white lies." But a lie is a lie, no matter what it's about or how "big"

it is. We also are tempted to lie when we're faced with a situation where we might get in trouble, if people knew the truth.

But, to be true to our identity as Christians, as followers of the Risen Lord, we must strive to be truthful in all that we do, no matter how difficult. Because with Christ's help, even the most difficult things are possible! Thanks be to God!

School Advisory Council Update

The next meeting of the Council will be on Wednesday, June 24 at 6:00 p.m., at the Irishman's Shanty. At this meeting, in addition to completing some necessary business, we will also recognize the outgoing Council members—Jim Abeld, Cindy Gjerswold, and Tim Froeber. We thank them for their years of dedicated service to our school community! In addition, we will also be welcoming our incoming members in their first unofficial meeting. Everyone is welcome to attend!

Here's how it works. You can go online to www.target.com/tcoe. Or, you can stop by a store and go to the Customer Service counter. In either case, you can request, through the Take Charge of Education program, that 1% of every purchase you make with your Tar-
