## Early Out

School will let out early on Wednesday, October 21, at 12:40 p.m. for teacher workshop time. Enjoy the early start to the long weekend!

## No School

We will not have school on Thursday and Friday, October 22 and 23 as compensa-

tion days for Parent-Teacher Conferences. Have a blessed weekend!

## Illness

We've had some students out sick this past week. We are praying that they and their families see a speedy recovery! At the same time, it also serves as a good reminder for us about the current concerns about illness, particularly the H1N1 flu virus. The best option is to be preventative, and make sure that you and your family are washing hands thoroughly and frequently. We are doing that in our school, as well as using hand sanitizer in our dining room. We have also included a few extra pieces of information in your family's packet which may be helpful to you. If you have any other questions, please let us know!

## PACE Pumpkin Carving Family Fun Night

PACE is hosting another Family Fun Night on Monday, October 24. Come on out and have a great time!

## Rake-a-thon Rescheduled

Our annual Rake-a-thon event has been postponed to Thursday, October 29. We will use the same schedule on the new day. Thank you for your patience and flexi-

bility. Please pray for good weather and lots of leaves on the ground.

## God's Blessings on Your Birthday

## Fundraising Opportunities

Each week, we will highlight a different on-going fundraiser. This week, we will take a closer look at Tyson's Project A+!

This is a fundraising program that's sponsored through Tyson Foods, Inc. It's called Tyson Project A+. Through this program, we can raise as much as \$12,000 for our school each year! The money we raise can go towards buying books or computers, or anything else that we want!

Sample bag label

All we have to do to participate is clip and save the entire Project A+ label from participating Tyson products. Then, you can drop these labels off in the school

office. Each label we collect is worth 24¢ for our school! Elva Bissonette has graciously agreed to manage this fundraiser. Thank you!

Let's support our school! Clip and save Tyson Project A+ labels today. If you would like more information about the Tyson Project A+ program, visit <http://ProjectAPlus.tyson.com> or contact the school office.

We thank you for your support. God bless!
