

Cathedral School Review

Volume 3, Issue 8

October 22, 2008

Mass Schedule

October 29—planned by
5th Grade

November 5—planned by
4th Grade

We would like to invite you to celebrate the Mass with your child and his or her class on Wednesdays at 8:45 a.m. Grandparents, other relatives, and friends are also welcome. Hope to see you there!

Library Schedule

October 28—Grades K, 1,
& 2

November 4—Grades 3 &
4

School Board Corner

In past issues, we've mentioned the school board's new sub-committee structure. One of those sub-committees is the Technology Committee. These people will be part of the broader Cathedral School Technology Committee. This group helps to guide the Cathedral School, in terms of staying current with new technologies for our children. The members of this sub-committee are Kris MacGregor and Nate Lubarski.

The Cathedral School Board's next meeting will be tonight at 6:00 p.m. Everyone is welcome to attend!

No School

We will not have school on Thursday and Friday, October 23 and 24, as compensation days for Parent-Teacher Conferences. Have a blessed weekend!

Two Hours Late

School will begin two hours late, at 10:20 a.m., on Monday, October 27. Teachers will be having in-service training.

Baby Bottles

Earlier this month, Deacon Denny visited our classrooms, handing out baby bottles. These bottles, he explained, are part of a fundraising effort for the St. Gianna Crisis Pregnancy Center.

During October, which we recognize as Respect Life Month, we have the opportunity to participate in many different activities which support life, especially that of the unborn.

The end of the baby bottle drive is coming soon. Please turn your

bottle in by the end of October. If you have any questions, you can call Deacon Denny in the parish office, or you can contact the school office. Thank you for your generous support!

MAP Testing Begins

Just as a brief reminder—we will begin our fall MAP testing season next week, on Monday, October 27. You should find a copy of the schedule in your family packet. If you have any questions, please contact the school office.

The Cubes are Coming!

Last spring, the Northwest Regional Arts Council invited the Cathedral School to contribute four cubes to their 150-cube display, commemorating Minnesota's 150th anniversary of statehood. All four cubes were designed and created by Cathedral School students who are now in 5th Grade. The entire display is now traveling throughout the state, in celebration of Minnesota's Sesquicentennial.

From October 15th through the 30th, this dis-

play will be at the Crookston Public Library. So, stop by sometime and see our Cathedral students' contributions to this impressive display. If you have any additional questions, please call the library at 281-4522. Thank you!

Fluoride Varnishing

Next week, on Thursday, October 30, we will have our first-ever fluoride varnishing treatment, courtesy of Polk County Public Health. We have included more information for you in this week's family envelope. If you have more questions, please call the school office.

God's Blessings on Your Birthday

Riley Schultz, Grade 3—
