## Finding God

This week, Fr. Mario talked about our Gospel reading in terms of finding God. First, he related a story about a boy and his dog. It was a good and faithful dog. One day, the dog, strayed from their fenced-in yard. The boy became very concerned, and went throughout the neighborhood looking for it. Eventually, he found it, and brought the dog home with him. God is like this, trying to find us,

and hoping that, at the same time, we're looking for Him, too.

Fr. Mario also had a few things along with him, including a pair of binoculars, a magnifying glass, and a Bible. He pointed out that they are all very useful tools to help us see things, depending on what we're looking for. If we want to see something that's very far away, we can use the

binoculars to bring it view. On the other hand, if we want to examine something closely that's very small, we can use a magnifying glass to make it easier to see it. But, if we are looking for God, we can start with His Holy Word, in the Bible. In it, we find Jesus telling us that He is "the gate. Whoever enters through me will be saved." Thanks be to God!

### **Baby Bottles**

Earlier this month, Deacon Denny visited our classrooms, handing out baby bottles. These bottles, he explained, are part of a fundraising effort for the St. Gianna Crisis Pregnancy Center. During October, which we recognize as Respect Life Month, we have had the opportunity to participate in many different activities which support life, especially that of the unborn.

The end of the baby bottle drive as come. Please turn in your bottle as soon as you can. If you have any questions, you can call Deacon Denny in the parish office, or you can contact the school office. Thank you for your generous support!

### **School Board Corner**

In past issues, we've mentioned the school board's new sub-committee structure. One of those sub-committees is the Safety Issues Committee. This group will help to keep the Cathedral School a safe place. In addition to helping resolve current safety questions, they will also be looking ahead, working to prevent problems. Members of this sub-committee are Tim Froeber and Sis Eickhof.

The Cathedral School Board's next meeting will be on Wednesday, November 19<sup>th</sup> at 6:00 p.m. Everyone is welcome to attend!

### **Fundraising Opportunities**

Each week, we will highlight a different on-going fundraiser. This week, we will take a closer look at the Ink Doctor.

Here at the Cathedral School, we recycle ink cartridges. Not only is this good for the environment, it helps support the school financially!

We currently use a vendor, based out of Grand Forks, ND, called The Ink Doctor. The process is easy! All you need to do is to drop off your old, used ink cartridge at the school. Once a month, the Ink Doctor stops by our school and picks them up. Shortly after that, we receive a check in the mail for them! The Ink Doctor refills and reuses the old cartridges and is able to resell them at a lowered cost to consumers as refurbished ink cartridges.

In addition to the old cartridges from inkjet printers, the Ink Doctor also takes many types of toner cartridges from laser printers and copiers. So, if you have any old cartridges laying around, you can bring them to the school. You'll clean

up your home or business, help the environment, and support the Cathedral School, all at the same time!

We thank you for your support. God bless!
